**Chapter advisers interested in the chapter participation packages have the opportunity to choose from one of two options by November 1, 2020:**

**Up to 20 Leadership Development Package**
- Allows chapters to pay a flat rate of **$320** ($160 for the national dues plus $160 for state dues) for up to **20 student participants**, a savings of $60 from the 20 student regular rate. **Note: Any student over the first 20 will be charged the $19 per person rate ($9 national dues plus $10 state dues).**

- Provides an equitable opportunity for all FCS students and access to Competitive Events, Stand Up National Program, Power of One Leadership Training, FCCLA Student Portal, scholarship opportunities, educator professional development, and many curriculum resources cross walked to FCS National Standards.

To take advantage of one of the temporary reduced-price leadership packages, please follow the steps below by November 1, 2020:

1. Complete the Request to Participate form to select the temporary package you would like to use for the 2020-2021 school year. *(Michigan FCCLA has posted a link on the Forms page, under the Membership section.)* Please have your chapter ID ready to complete this form.

2. *Wait to hear confirmation from FCCLA before affiliating your chapter.* National FCCLA will advise you via email within two business days of receiving your Request to Participate form as to when you can affiliate in the FCCLA portal with your chapter’s selected package option. This correspondence will be an email sent to the email address used to complete the Request to Participate form. **Note: To ensure you receive the correct package rate you have selected, please do NOT affiliate your chapter until we confirm the participation package you selected has been turned on for your chapter per your request.**

3. After you have received email confirmation from FCCLA that the selected package has been turned on for your chapter, log into the FCCLA portal and affiliate your members as you normally would. Before selecting the ‘Create Invoice’ button, please verify the correct rate is displayed. If the rate appears incorrect, please select the ‘Close’ button and reach out to the FCCLA Operations department at membership@fcclainc.org or call 703-476-4900.

**NOTE:** If you already submitted your affiliation for the current year and would like to take advantage of one of FCCLA’s temporary leadership development packages, please complete the Invoice Removal Form and send the form to your state adviser for approval. Once FCCLA receives the approved Invoice Removal Form, the invoice will be removed and you will be notified that you are now able to affiliate under one of the two respective packages.

Each day in the United States, approximately nine people are killed and more than 1,000 injured in crashes that are reported to involve a distracted driver. Distracted driving is driving while doing another activity that takes your attention away from driving. Source: June 9, 2017 https://www.cdc.gov/motorvehiclesafety/distracted_driving/index.html

Multi-tasking is something a lot of us are convinced we do well. You might be surprised to learn that’s not true at all, for teens and adults. We often think we are great multi-taskers: we can carry on a text conversation while doing homework, binge watch a show online and wash the dishes, right? Well... not really.

When we multi-task, our brain is really switching back and forth between doing various tasks. Depending on the task and the person, switching can be very quick and appear seamless. But really, every time the brain switches tasks, it slows its reaction time. That’s not a big deal when texting a friend and watching TV, but it can be deadly behind the wheel.

Hands-free won’t cut it either. A driver on the phone can miss up to 50 percent of the driving environment. And that distraction can linger: studies show up that distractions continue up to 27 seconds after the calls ends.

Today’s technology brings a new distraction for drivers - the infotainment system. Technology has become a big part of the driving experience. Some features, including new safety systems, improve the driving experience. Others, like voice-controlled systems that promise to do everything from calls, texts, email and even posting to social media platforms, present new distractions. Remember that these features are included in the car for convenience, not safety. All drivers should avoid the dash to the dashboard. Only use the infotainment system when the car is in park!

The distractions while driving include, but are not limited to:

- Texting - looking at texts and also sending texts
- Talking on the phone
- Using car infotainment systems while driving
- Programming a GPS
- Grooming - brushing hair, applying makeup, etc.
- Reading
- Looking for things in the glove box, dropped items, or reaching for a purse or backpack
- Eating
- Fumbling while performing what seems like a simple task
- Being distracted by other passengers
- Reacting to interesting road signs, events or accidents on the side of the road, beautiful scenery, etc.

We ask you to pledge to remove distractions while driving to and from all FCCLA activities. Also, that if you are running late for a meeting or activity, you will pull into a safe parking spot and text the person that is expecting you. It is better to be a few additional minutes late, than to be distracted while driving.

Please encourage all your members to sign this pledge!

Chapters will submit names on the Safe Driving Pledge Reporting Form by March 1st to earn one point towards the Chapter Challenge for every member’s signed pledge form

This Safe Driving Pledge Form and the Safe Driving Chapter Reporting Form are posted on the website at http://mifccla.org/advisers/forms.html with lines for signatures from the member, parent and adviser.

Power of One helps students find and use their personal power. Members set their own goals, work to achieve them, and enjoy the results. The skills members learn in Power of One help them now and in the future in school, with friends and family, in their future at college, and on the job.

Have you ever thought about a special goal? Maybe you would like to develop better study habits, cope with a physical challenge, get along with a sibling, improve job skills, become a leader — or any other personal goal. Power of One is for You! You select the goals most important to you, then create a plan of action to meet them. Give yourself the power to make a positive change in your families, careers, and communities, one goal at a time.

Plus, you can earn recognition from your local chapter, Michigan, AND National FCCLA!

Power of One gives youth the POWER to fulfill their dreams by creating self-directed projects that focus on:

Billing and Late Fee Procedures

Michigan FCCLA relies on registration fees to be paid when registration forms are submitted, so proper cash flow is available to pay our bills on time and without late fees being assessed to our association.

Michigan FCCLA accepts payments in the form of check, money order, and credit cards (American Express, Visa, MasterCard, and Discover). We are not able to accept cash payments. Payments made by students/parents should be turned over to the school and have a school check issued to Michigan FCCLA. **We are not able to accept personal checks from anyone other than the chapter adviser.**

All refunds will be processed to the school’s account, and not a specific individual.

A Purchase Order is not a form of payment, but rather a promise to pay an invoice. Schools will be responsible for any late fees if payments arrive after the due date, even if the Purchase Order was received prior to the due date. Michigan FCCLA is not able to hold personal checks and/or credit cards until payment is received from a school.

**Request for Payment Extension:**
Michigan FCCLA will grant a two (2) week payment extension if the advisor submits a signed Payment Extension Request Form **at least two (2) weeks prior to the payment deadline.** The extension **will not** be granted if the form is submitted **less than two weeks prior to the deadline.**

**Membership Fees:**
Membership fees are due to FCCLA promptly after affiliation. Michigan FCCLA will compare chapter rosters with all conference registrations. Each chapter is responsible for the payment of membership fees for every student registered for the Michigan State Leadership Conference, National Fall Conference, National Leadership Conference, or Capitol Leadership Meeting, even if the student does not attend the conference or leaves your class or program entirely. Chapter advisors will be notified if they have any student registered for a conference that is not on their roster, who must be affiliated by March 1st.

Once you submit a student and the name appears on an FCCLA membership invoice, you are required to pay for the student. FCCLA does not edit, substitute, or delete invoices for affiliation. Please double check that you do not have duplicate students or students who should not be part of your roster in your chapter. Please make sure you have collected all funds before submitting your student’s affiliation.

**Conference Registrations:**
Chapters will be assessed a late registration and payment fee for all registrations and payments received after the registration deadline. A fee of up to $15.00 per person and up to a maximum of $200.00 per chapter will be assessed per conference. Any chapter that owes any amount or has not submitted a Purchase Order for a conference by the time the conference takes place, could have a letter faxed to the school Principal and Superintendent asking for assistance with the payment.

**Invoices:**
All past due accounts will be invoiced the first of each month. An additional $20.00 invoicing fee will be applied to each invoice or statement sent for accounts over 30 days past due.
